

Who should submit the "ISEE parificato"

If you are an international student or an Italian student living abroad, you can obtain a reduction of University fees and on the regional fee by submitting the ISEE parificato, required when it is not possible to obtain an Italian ISEE.

In particular, **you have to request the ISEE parificato if you are:**

- An International student living outside Italy
- An international student living in Italy, but you are not independent and your parents live in a foreign country
- An Italian student living abroad and you are not registered in AIRE list.

Documents needed to request the "ISEE parificato"
